## King's College Student Membership Fee Schedule Terms and Conditions

### CONTRACTUAL AGREEMENT

This annual Contractual Agreement entered into is for residing at King's College for the "Contract Period", defined as either the first and second semester ("Academic Year") or one semester, by any student ("Member") wishing to live at King's College whilst studying. This applies to the Contract Period and Members will not receive a refund of fees if they leave early.

Students studying at institutions other than The University of Queensland (UQ) may be accommodated at King's College when there are room vacancies. First preference is to those studying at UQ as King's College is affiliated with UQ and operates to UQ's semester timetable. Students studying at other institutions who choose to live at King's College must be aware that services offered may not be to the same level when timetables differ between universities, including temporary relocation to another room during UQ vacation periods and different meal times.

### MEMBERSHIP FEES

The King's College Student Club ("KCSC") Fee is collected for KCSC by King's College and is non-refundable. The KCSC helps to promote a community spirit within King's College by means of cultural, sporting and social events.

The King's College Foundation Building Fund is a non-refundable annual fee per family. This is an optional fee and tax deductible and will be used to support the strategic building program.

A New Student Application Fee is payable once only on application to King's College and is non-refundable.

Postgraduates: Fees are as per the "King's College Student Membership Fee Schedule" for "Returning" students.

Fee structure and payment: Full information about the different fees payable is included in the "King's College Student Membership Fee Schedule", including payment due dates.
